

Subject: Exciting Update: Allyd partners with Ceryle as Our Trusted Service Partner

Dear Valued Customer,

At Allyd Pharma, we are dedicated to providing you with the highest quality equipment and services for your Pharma, food, chemical process, and packaging needs. We are thrilled to share an important update that enhances our commitment to your success.

We are proud to announce that Ceryle Pharmatech LLP will be now our official service partner!

This partnership combines Allyd's industry-leading equipment solutions with Ceryle's expertise in innovative engineering and technical services. Together, we aim to deliver unparalleled support, seamless integration, and customized solutions to meet your operational goals.

What this means for you:

- **Enhanced Support:** Benefit from Ceryle's technical proficiency alongside Allyd's premium equipment for faster, more reliable service.
- **Tailored Solutions:** Our collaboration ensures solutions designed to optimize your processes, provide automation solutions, from equipment installation to ongoing maintenance.
- **Greater Efficiency:** With Ceryle's support, expect reduced downtime and improved productivity for your operations.

We are excited about the opportunities this partnership brings and remain committed to helping you achieve excellence. For more details on how this collaboration can benefit your business, please contact us at Allyd Pharma - info@allydpharma.com or +91 98211 63545

Ceryle Pharmatech LLP - info@ceryletech.com or +91 99300 69096.

Thank you for choosing Allyd Pharma. We look forward to serving you even better with Ceryle by our side!

**Best regards,
The Allyd Pharma Team**

Empowering Your Success
